

# FBDCA Versatility Award Criteria (FBDCA VOM), Worksheet & Application

The purpose of the FBDCA Versatility Award is to recognize French Bulldogs who demonstrate soundness, trainability and athleticism. Adherence to the breed standard is encouraged (see “Conformation” category). These are ambassadors for the breed, showing aptitude for skills, which although not traditional for French Bulldogs, are deserving of commendation by the club.

Only AKC-recognized titles are considered for the VOM, distributed across five categories (detailed below, I-V). Dogs/bitches owned or co-owned by a member or members of the FBDCA in good standing are eligible for the awards. The award may be awarded posthumously if criteria are met.

**Versatility bronze (VOM-B):** 4 titles required from at least 3 categories

**Versatility silver (VOM-S):** 7 titles required from at least 3 categories

**Versatility gold (VOM-G):** 10 titles required from at least 3 categories

**Versatility platinum (VOM-P):** 12 titles required from at least 4 categories. At least 2 titles from different categories must be at an upper level (shown below in red).
